

INXS - He Stairs

Tom: C

In a room above a busy street
 The echoes of a life
 the fragments and the accidents
 Separated by incidents
 Listened to by the walls
 We share the same spaces
 Repeated in the corridors
 Performing the same movements

Storey to storey, Building to building
 Street to street, We pass each other
 Storey to storey, Building to building
 Street to street, We pass each other
 Listened to by the walls
 We share the same spaces
 Repeated in the corridors
 Performing the same movements
 The nature of your tragedy
 Is chained around your neck

Do you lead or are you led
 Are U sure that you don't care
 There are reasons here to give your life
 And follow in your way
 The passion lives to keep your faith
 But all are different, all are great
 Climbing as we fall
 We dare to hold on to our fate
 And steal away our destiny
 To catch ourselves with quiet grace
 Storey to storey, building to building
 Street to street we, pass each other on the stairs

(Drum interlude)

(C to F through solo)

Listened to by the walls
 We share the same spaces
 Repeated in the corridors
 Performing the same movements
 Storey to storey, building to building
 Street to street we, pass each other on the stairs
