

INXS - Not Enough Time

Tom: A
Intro: A Gbm A Gbm

And I was lost for words in your arms
Attempting to make sense of my aching heart
If I could just be everything and everyone to you
This life would just be so easy

Not enough time for all that I want for you
Not enough time for every kiss and every touch and all the nights
I wanna be inside you

We will make time stop for the two of us
Make time stop and listen for our sighs

Not enough time for all that I want for you
Not enough time for every kiss and every touch and all the nights
I wanna be inside you
Make time stop make time stop

In our fight against the end

Making love we are immortal
We are the last two to be left on earth
And I was lost for words in your arms
Attempting to make sense of my aching heart
If I could just be everything and everyone to you

Not enough time for all that I want for you
Not enough time for every kiss
Not enough time for all my love
Not enough time for every touch
Make time stop I wanna
Make time stop
Not enough time for all that I want for you
Not enough time for every kiss and every touch and all the nights
I want to be beside ya
(soaring A with synthesizer)

We will make time stop for the two of us
We'll make time stop

(Repeat above two lines five times while fading)
