

# INXS - Not Enough Time

Tom: A  
Intro: A Gbm A Gbm

And I was lost for words in your arms  
Attempting to make sense of my aching heart  
If I could just be everything and everyone to you  
This life would just be so easy

Not enough time for all that I want for you  
Not enough time for every kiss and every touch and all the nights  
I wanna be inside you

We will make time stop for the two of us  
Make time stop and listen for our sighs

Not enough time for all that I want for you  
Not enough time for every kiss and every touch and all the nights  
I wanna be inside you  
Make time stop make time stop

In our fight against the end

Making love we are immortal  
We are the last two to be left on earth  
And I was lost for words in your arms  
Attempting to make sense of my aching heart  
If I could just be everything and everyone to you

Not enough time for all that I want for you  
Not enough time for every kiss  
Not enough time for all my love  
Not enough time for every touch  
Make time stop I wanna  
Make time stop  
Not enough time for all that I want for you  
Not enough time for every kiss and every touch and all the nights  
I want to be beside ya  
We will make time stop for the two of us  
We'll make time stop

(Repeat above two lines five times while fading)
