

# INXS - Pretty Vegas

Tom: F

(C to Bb Riff through verses)

Falling asleep at the wheel again, baby  
 You're drifting over the line  
 You're hands are tight but you're losing grip quickly  
 Fix me can you read the sign  
 Thumbin' your way to Vegas, dirty  
 and dreaming of the other side  
 Save your tears and laughter because  
 it doesn't matter what you find

C Bb F Bb  
 It ain't pretty

C Bb F Bb

C Bb F  
 It ain't pretty when the pretty it leaves you with no place to go

Bb F Bb F

C

(C to Bb Riff through verses)

Everything that you do is wrong and you  
 Fell like you can barely survive  
 When those around you are crumpling downwards  
 Buried in the sunset alive  
 Thumbin' your way to Vegas, dirty and screaming like you're  
 back from hell  
 Save your dreams and occupations 'cause doesn't matter what  
 you sell
