**D**  
 You're living out there, surrounded by blue  
**Dbm**  
 Lush green eyes, sand on your shoes  
**D Dbm E**  
 You're home and I dream of you  
**D**  
 Remember those times?  
**Dbm**  
 You could make a fantasy appear in real life  
**D**  
 Every time I leave you now I have to think twice  
**Dbm E**  
 And dream of you  
**D Dbm**  
 And it's true, there's nowhere quite like you  
**D**  
 It's about time that you knew  
**Dbm (E )**  
 You're home and I?

**D**  
 Dream of you I dream  
**Dbm**  
 Dream of you I dream  
**D**  
 Dream of you I dream  
**Dbm E**  
 You're home and I?  
**D**  
 When I'm lost out there, you're easy to find  
**Dbm**  
 I close my eyes, you're in my mind  
**D Dbm E**  
 You're home and I dream of you  
**D**  
 December sunshine, the only memories are ones that make me  
 feel fine **D Dbm**  
**E**  
 Just know we'll be together when I see you in my dream of you  
**D Dbm**  
 And it's true, there's nowhere quite like you  
**D**  
 It's about time that you knew  
**Dbm (E )**  
 You're home and I?  
**D**  
 Dream of you I dream  
**Dbm**  
 Dream of you I dream  
**D**  
 Dream of you I dream  
**Dbm E**  
 You're home and I?
