

# Irmã Míria T. Kolling - Salmo 139 (138) - Natividade de São João Batista

Tom: **D**

m  
Eu vos louvo e vos dou graças, ó senhor  
Porque de modo admirável me formastes!

Senhor, vós me sondais e conheceis

Sabeis quando me sento ou me levanto

De longe penetrais meus pensamentos

Percebeis quando me deito e quando eu ando

Os meus caminhos vos são todos conhecidos

Fostes vós que me formastes as entranhas

E no seio de minha mãe vós me tecestes

Eu vos louvo e vos dou graças, ó senhor

Porque de modo admirável me formastes!

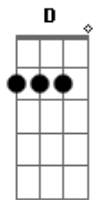

Até o mais íntimo, senhor me conheceis

Nenhuma sequer de minhas fibras ignoráveis

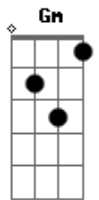

Quando eu era modelado ocultamente

Era formado nas entranhas subterrâneas
