

Iron Maiden - For The Greater Good Of God

Tom: **D**

This part may be on bass but I tabbed it for guitar anyways.

Chorus bit ' For the greater good of god!'

Interlude (same as intro bit)

'Are you a man of peace.....'

Harmony part

Distorted verse (typical maiden strumming affair)

'tell me why, tell me why'

As you can see, some parts are missing feel free to expand this or something.

Basic but its a good start (I knocked it up in 20 minutes)

'Please tell me..'
