 Lyrics:

I got the keys to view at number 22
 Behind my Green doors there's nothing to see
 Is that a future What can a creature
 who've been hanging around waiting for a girl like me
 Stone cold sober and sitting in silence, laid
 back and looking for sympathy
 I like a girl who knows where she's bound
 I don't like girls who've been hanging around

Hooks in you, hooks in me, hooks in the ceiling
 For that well hung feeling
 No big deal, no big sin, strung up on love I
 Got the hooks screwed in

She's tied up she can't come to the phone,
 You must have got your wires crossed cos she ain't home
 Knock on wood-you know I like that sound
 She never could keep her feet on the ground

Hooks in you, hooks in me, hooks in the ceiling
 For that well hung feeling
 No big deal, no big sin, strung up on love I
 Got the hooks screwed in

Hooks in you
 I got those hooks in you
 Hooks in you
 in you

Right on the money got it wrapped up tight
 New ideas for the decor tonight
 Gonna make this house a preservation zone
 Gonna set her in concrete set her up on her own

Hooks in you, hooks in me, hooks in the ceiling
 For that well hung feeling
 No big deal, no big sin, strung up on love I
 Got the hooks screwed in

Hooks in you
 I got those hooks in you
 Hooks in you
 in you
