

Iron Maiden - Ides of March

Tom: C

This is the intro riff (both guitars):

t t t t

t t t t

t t t t

t t t t

Then some harmony starts (2 guitars - one plays the upper notes, the other plays the lower notes):

```

```

TABLATURE EXPLANATION

Then the rhythm guitar plays this (twice):

```
-----
----5h8--- Hammeron          -----
----- Ghost                    ----t---
----- Note                      ----6--- Tap
----5p8--- Pulloff            -----

-----
----5/8--- Slide Up          -----
Pop                             -x- Dead
----- Note                    ----p--
----58--- Slide Down         ----7--
Slap                             -----

-----
----5~--- Vibrato             ||-----|| Repeat
Bend                             ||----||
-----                         ||-----||
-----                         -----

-----
-4:----- Time
-4:----- Signature          -----
-----                         -----
```

Then it goes back and plays the part with the harmony again. Here's the solo (I'm not sure if I got all the bar lines in the right place):
