

Iron Maiden - Ides of March

This is the intro riff (both guitars):

```

t      t      t      t
t      t      t      t
t      t      t      t
t      t      t      t
    
```

Then some harmony starts (2 guitars - one plays the upper notes, the other plays the lower notes):

```
