Iron Maiden - Longest Day

```
   Tabbed By : MaidenBass1991
e-mail:

, im only 15 so go easy on me if its wrong anywhere...

Tuning:standard , E,A,D,G
Intro: carry on playing 2nd fret on D string until a change in
key after the first verse

G|-------------------------------------------------------------
--------------|
D|--2 22 2 22 2 22 2 22 2 22 2 22 2 2 22 ---------------------
--------------|
A|-------------------------------------------------------------
--------------|
E|-------------------------------------------------------------
--------------|

 after change in key...
G|-------------------------------------------------------------
---------------|
D|-------------------------------------------------------------
---------------|
A|-2 22 2 22 2 22 2 22 2 22 2 22 2 22 2 22--------------------
---------------|
E|-------------------------------------------------------------
---------------|

Bruce Screams "Enter Hells Gates" and steve plays this..
G|-------------------------------------------------------------
--------------|
D|-------------------------------------------------------------
--------------|
A|-77777777  33333333  ----------55555555---------------------
--------------|
E|--------------------33333333-----------------------------
--------------|

Sorry guys but thats all i could tab at the moment , still i
think its pretty much
, but email me with any corrections or comments , thanks Ps ,
il be updating this tab in the
future , k see ya , peace
