Am

Wake alone in the hills
With the wind in your face
It feels good to be proud
And be free and a race

That is part of a clan

And to live on highlands

And the air that you breathe
So pure and so clean

When alone on the hills

With the wind in your hair

With a longing to feel

Just to be free

Am

Is it right to believe
In the need to be free
It's a time when you die
And without asking why

Can't you see what they do

They are grinding us down

They are taking our land
That belongs to the clans

Not alone with a dream

Just want to be free

With a need to belong

I am a clansman

Am

It's a time wrought with fear
It's a land wrought with change
Ancestors could hear
What is happening now

They would turn in their graves

They would all be ashamed

That the land of the free
Has been written in chains

And I know what I want

When the timing is right

Then I'll take what is mine

I am the clansman

Am

And I swear to defend
And we'll fight to the end
And I swear that I'll never
Be taken alive

And I know that we'll stand

And we'll fight for our land

And I swear that my bairns Will be born free

And I know what I want

When the timing is right

Then I'll take what is mine

I am the clansman
