LYRICS

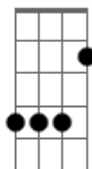

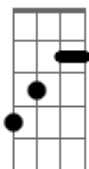

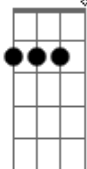

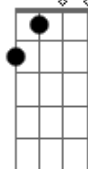

He threw down the glove you made the mistake
 Of picking it up and you're gone.
 A choosing of guns or fighting with swords
 The choice of weapons is done.
 He'll tear you apart as soon as you start
 You know you don't have a chance.

Oh Oh Fight for the honour
 Fight for the splendour
 Fight for the pleasure.
 Oh oh Fight for the honour
 Fight for the splendour
 Fight for your life.

Ready to start, the duel begins
 The best man wins in the end.
 A lunge and a feint, a parry too late
 A cut to the chest and you're down.
 Seeing the stain, feeling the pain
 Feeling the sweat on your brow.
 Oh oh, Fight for the honour
 Fight for the splendour
 Fight for the pleasure.
 Oh oh, Fight for the honour
 Fight for the splendour
 Fight for your life.

The fighting resumes, a silence looms
 The swordsmen move against each other.
 A cut and a thrust, a parry, a blow
 A stab to the heart and you're down.
 The Angel of Death hears your last breath
 Meanwhile the Reaper looks on.
 Oh oh, Fought for the honour.
 Fought for the splendour
 Fought for the pleasure.
 Oh oh, Fought for the honour.
 Fought for the splendour
 Fought to the death.
