

Iron Maiden - The Number Of The Beast

Tom: F

Riff 1:

D I left alone, my mind was blank.

C I needed time to think to get the

D

Memories from my mind.

What did I see, can I believe,

C That what I saw that night was real

D

And not just fantasy.

Just what I saw, in my old dreams

C Were they reflections of my warped

D

Mind staring back at me.

'Cause in my dreams, it's always there

C The evil face that twists my mind

D

And brings me to despair.

C D

Yeah!!!

Riff 2:

The night was black, was no use holding back

'Cause I just had to see, was someone

Watching me.

In the mist, dark figures move and twist

Was all this for real, or just some kind of hell.
