

Iron Maiden - The Number Of The Beast

tom: G

Intro: D

I left alone my mind was blank,
 I needed time to think, to get the memories from my mind.
 What did I see, can I believe,
 that what I saw that night was real and not just fantasy.
 Just what I saw in my old dreams,
 were they reflections of my warped mind staring back at me?
 Cos in my dreams it's always there,
 the evil face that twists my mind and brings me to despair.
 Yeeeah...
 The night was black was no use holding back
 Cos I just had to see was someone watching me
 In the mist dark figures move and twist
 was all this for real or some kind of hell
 Six-six-six the Number of the Beast
 Hell and fire was spawned to be released
 Torches blazed and sacred chants were phrased
 as they start to cry hands held to the sky
 In the night the fires are burning bright

the ritual has begun, Satan's work is done
 Six-six-six the Number of the Beast
 Sacrifice is going on tonight

 This can't go on I must inform the law
 Can this still be real or some crazy dream
 But I feel drawn towards the chanting hordes
 they seem to mesmerise ...can't avoid their eyes
 Six-six-six the Number of the Beast
 Six-six-six the one for you and me
 I'm coming back, I will return.
 And I'll possess your body and I'll make you burn.
 I have the fire, I have the force,
 I have the power to make my evil take its course.
