Primeira Parte:

E You'll take my life but I'll take yours too
You'll fire your musket but I'll run you through
C So when you're waiting for the next attack
E You'd better stand there's no turning back.

E He bugle sounds and the charge begins
But on this battlefield no one wins
C The smell of acrid smoke and horses breath
E As I plunge on into certain death.

Primeira Parte com variação na letra:

E The horse he sweats with fear we break to run
The mighty roar of the Russian guns
C And as we race towards the human wall
E The screams of pain as my comrades fall

E We hurdle bodies that lay on the ground
And the Russians fire another round

C We get so near yet so far away

E We won't live to fight another day.

Solo Introdução: E C D E

Primeira parte com variação na letra:

E We get so close near enough to fight
When a Russian gets me in his sights
C He pulls the trigger and I feel the blow
E A burst of rounds take my horse below.
E And as I lay there gazing at the sky

My body's numb and my throat is dry

C And as I lay forgotten and alone

E Without a tear I draw my parting groan
