[Primeira Parte]

**D**  
Across a painted desert lies  
A train of vagabonds  
All that's left of what we were  
It's what we have become  
Once our empires glorious  
But now the empire's gone  
The dead gave us the time to live  
And now our time is done

[Pré-Refrão]

**C2**  
Now we are victorious  
**D**  
We've become our slaves  
**Bb**  
A land of hope and glory building  
**C**  
Graveyards for the brave

All we've got to show

Holy war to kingdom come

On a trail of dust and ashes  
When the burning sky is done
