Lyrics:

The rebel of yesterday, tomorrows fool
 Who are you kidding being that cool?
 Trying to break away from running
 with the pack
 But they ain't listening so you've
 gotta go back
 You're a weekend warrior when
 you're one of the crowd
 But it's over, just look at you now...

You're not so brave the way you behave
 It makes you sick gotta get out quick
 It's all bravado when you're out
 with your mates
 It's like a different person goes through
 those gates
 And the game begins,
 the adrenaline's high
 Feel the tension maybe someone
 will die...
 A weekend warrior lately
 A weekend warrior sometimes
 A weekend warrior maybe you ain't
 that way anymore

You've gotta get out gotta get away
 But you're in with a clique it's not
 easy to stray
 You've gotta admit you're just
 living a lie
 It didn't take long to work out why
 It's hard to say why you got involved
 Just wanting to be part,
 just wanting to belong...
 A weekend warrior lately
 A weekend warrior sometimes
 A weekend warrior maybe you ain't
 that way anymore

Some of the things that you've done
 you feel so ashamed
 After all it's only a game...isn't it?
 And after all the adrenaline's gone
 What you gonna do on Monday?
 A weekend warrior lately
 A weekend warrior sometimes
 A weekend warrior maybe you ain't
 that way anymore
