when the wild wind blows

(guitarra pesada)

Have you heard what they said on the news today, Have you heard what is coming to us all?

Do you know what is happening to just every one of us, Have you heard, have you heard?

Have you heard what they said on the news today, Have you heard what is coming to us all?

There will be a catastrophe the like we've never seen, There will be something that will light the sky

That the world as we know it will be coming to an end, Have you heard, have you heard?

That the world as we know it, it will never be the same, Did you know, did you know?

He sees them in the distance when the darkened clouds roll, He could feel tension in the atmosphere

He carries everything into the shelter now, but first, Getting ready when the moments comes

He would look in the mirror, see an old man now, Doesn't matter they survived somehow

He has enough supplies to last them for a year or two, Good to have because you never know

They said there's nothing can be done about the situation, They said there's nothing you can do at all

They tell him nothing that we don't already know about, They tell us nothing that is real at all

To sit and wait around for something to occur, Did you know, did you know?

They only fill us with the stuff that they want, Did you know, did you know?

As he stares across the garden looking at the meadows, Wonders if they'll ever grow again

He's nearly finished with the preparations for the day, He's getting tired; that'll do for now

The desperation of the situation getting graver, Getting ready

They are preparing for the very worst to come to them, Getting ready when the wild wind blows?.
