

# Iron & Wine - Boy With A Coin

Tom: C

Tuning: Standard

Just heard this song, and HAD to tab it for you all. Unfortunately, Sam makes it hard to tab his songs perfectly, he changes it around too much, anyway, I'll try my best here. The song pretty much repeats the same pattern generally, and for the sliding, he may not play two strings at once, but I do, and it sounds pretty good, so that's what I put here, you can take the G string out, and it

sounds fine, this just shows how you would play it otherwise.
