Tom: Gb

(com acordes na forma de F )  
 Capotraste na 1ª casa  
 i saw other tabs of this song on different sights and they were pretty good, but some were missing, so i'm here to fix that. explanation on the parentheses, i have no idea how make those lines to separate measures because i don't have a key for that, so this is my substitute.

IRON & WINE  
 FREEDOM HANGS LIKE HEAVEN  
 from the WOMAN KING EP

standard tuning, capo 1st fret  
 Intro: verses

Riff 1

Play that riff 3 times and on 4th time, Play:

Riff 2

for some people, e  
 it might be easier B(-----1--1h3p1----)  
 to play this --> G(--3-----3--)  
 on the riff D  
 above A  
 E(--3--3--3-----3--)

...and continue that pattern until in between verse 1 & 2 where you play Riff 1 6X until  
 2. Between verse 2 & 3 and the banjo solo, also play Riff 1 6X hope this all helped you

until verse 3. For the just play Riff 1 until the song ends.

lyrics-

Mary, carry your babe  
 bound up tight like lips around a whimper  
 Your fingers over my face  
 blind eyed sampson driven to the temple  
 and night birds digging 'til dawn  
 Freedom hangs like heaven over everyone  
 Ain't nobody knows what a newborn holds  
 but his mama says he'll walk on water  
 and wander back home.

Mary, carry your shame  
 well past all those eyes across the avenue  
 Fish heads running from rain  
 you know I'll do anything you want me to  
 Lamp oil lovers may say,  
 "Freedom hangs like heaven over everyone"  
 Ain't nobody knows what a new born holds  
 but his papa's gonna to hide shaking gristle  
 and shaking like bone

Mary, carry My name  
 hoof marks hacked up all I had to offer you  
 Look all over this place  
 Lost your portrait lately when the winter blew  
 In like Herod and them  
 Freedom hangs like heaven over everyone  
 Anybody knows what a newborn holds  
 but a dollar says he'll lick that devil  
 and do it alone
