lyrics-

Mary, carry your babe bound up tight like lips around a whimper Your fingers over my face blind eyed sampson driven to the temple and night birds digging 'til dawn Freedom hangs like heaven over everyone Ain't nobody knows what a newborn holds but his mama says he'll walk on water and wander back home.

Mary, carry your shame well past all those eyes across the avenue Fish heads running from rain you know I'll do anything you want me to Lamp oil lovers may say, "Freedom hangs like heaven over everyone" Ain't nobody knows what a new born holds but his papa's gonna to hide shaking gristle and shaking like bone

Mary, carry My name hoof marks hacked up all I had to offer you Look all over this place Lost your portrait lately when the winter blew In like Herod and them Freedom hangs like heaven over everyone Anybody knows what a newborn holds but a dollar says he'll lick that devil and do it alone

...and continue that pattern until in between verse 1 & 2 where you play Riff 1 6X until

E(--3--3--3---)

2. Between verse 2 & 3 and the banjo solo, also play Riff 1 6X hope this all helped you
