 Iron & Wine - Southern Anthem

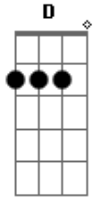

Standard Tuning  
 Capo 2

Chords:

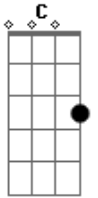

**C**  
 just like the way that you ran to wine  
**F**  
 when they made the new milk turn  
**G**  
 Jesus, a friend in the better times

**F**  
 let your mother's bible burn  
**C**  
 freedom, a fever you suffered through  
**F**  
 and the dog drank from your cup  
**G**  
 frozen, the river that baptized you  
**F**  
 and the horse died standing up  
**F** **C G F**  
 but when a southern anthem rings  
**C G F**  
 she will buckle to that sound  
**C G F**  
 when that southern anthem sings  
**C G F**  
 it will lay her burdens down
