

# Iron & Wine - Sunset Soon Forgotten

Tom: **A**  
Intro: /PARTE 1 e 2

REFRÃO:

PARTE 1:  
Be this sunset soon forgotten  
Your brothers left here shaved and crazy  
We Ôve learned to hide our bottles in the well  
And what's worth keeping, sun still sinking

REFRÃO:

Down and down  
Once again  
Down and down  
Gone again

PARTE 2:  
Be this sunset one for keeping  
This june bug street sings low and lovely  
Those band-aid children  
Chased your dog away  
She runs, returning, sun still sinking

REFRÃO:  
Down and down  
Once again  
Down and down  
Gone again
