Tom: **A**
Intro: /PARTE 1 e 2

REFRÃO:

PARTE 1:
Be this sunset soon forgotten
Your brothers left here shaved and crazy
We Ôve learned to hide our bottles in the well
And what's worth keeping, sun still sinking

REFRÃO:

Down and down
Once again
Down and down
Gone again

PARTE 2:
Be this sunset one for keeping
This june bug street sings low and lovely
Those band-aid children
Chased your dog away
She runs, returning, sun still sinking

REFRÃO:
Down and down
Once again
Down and down
Gone again
