Dm Am C G

Dm  
 "Take me again," She said  
 Am Walk up C  
 Thinking of him, "To the pond with the swans  
 G  
 And the swimming.

Repeat like that through the verse. Here are the rest of the lyrics:

Far from his room, that familiar perfume  
 How it left her aware she was naked.  
 The lesson she learned  
 When her memory slurs  
 Is to marvel with love at the sunset  
 But walkin' away's the dark end of the day

She will measure and break like a habit.

CHORUS:

F G C Am

repeat once

Then from the Am go

G

F G C C Am  
 Oh how the rain sounds as loud as a lover's words.  
 F G C C Am  
 Now and again, shes afraid when the sun returns.

Then into the end of the verse riff into the main riff. I'm sorry,  
 I dont know the solo.

Continued lyrics:

"Take me again," she said thinking of him  
 "I don't care for this careful behavior."  
 A brush through her hair,  
 Children kissin' up stairs  
 Keeps her up with a want for a savior.  
 Sun on the sand,  
 On her knees and her hand  
 As she begs for a fish from the water.  
 Turn them away, shes a whip and a slave  
 Given time she may find something better.

CHORUS.
