

# Iron & Wine - Upward Over The Mountain

Tom: G

Na verdade, na música inteira usa-se apenas essas 4 notas:

Em C G D

Mother don't worry, I killed the last snake that lived in the creek bed

Mother don't worry, I've got some money I saved for the weekend

Mother remember being so stern with that girl who was with me  
 Mother remember the blink of an eye when I breathed through your body

So may the sunrise bring hope where it once was forgotten  
 Sons are like birds flying upwards over the mountain

Mother I made it up from the bruise on the floor of this prison

Mother I lost it all of the fear of the Lord I was given

Mother forget me now that the creek drank the cradle you sang to

Mother forgive me I sold your car for the shoes that I gave you

So may the sunrise bring hope where it once was forgotten  
 Sons can be birds taken broken up to the mountain

Mother don't worry I've got a coat and some friends on the corner

Mother don't worry she's got a garden we're it planting together

Mother remember the night that the dog had her pups in the pantry

Blood on the floor and the fleas in their paws  
 And you cried 'til the morning

So may the sunrise bring hope where it once was forgotten  
 Sons are like birds flying always over the mountain

Obs.: não consegui pegar o solo... talvez depois eu deixe aki...flw!
