

Isabella Bretz - Minesweeper

tom:
 Don?t ^{Am}
 Don?t ^E underestimate my love
 Because I don?t see you as you want to be seen
 You?ve ^G taken me to where I?ve never been
 You?ve ^F showed me the way
 Don?t ^G tease me and walk away
 You?ve ^F showed me the way
 Don?t ^{Am} walk away
 Like, Oh like a minesweeper I go
 I go in danger
 To discover the land
 I try to be safe and understand
 Things have color and shape
 Beautiful is just a name
 We give for what pleases us somehow
 And this is what is done
 There?s no way to return
 When the beauty of your face screams out loud

^{Am} Like, Oh like a minesweeper I go
^{Am} I still a stranger
 Just going to cross your land
 Can?t you make me feel safe and understand
 Then the beauty of your face screams out loud
 And the way you say my name screams out loud
 Yes the beauty of your face screams out loud
 (^{Em} ^{Em} ^{Em} ^{Em})
 (^{Em} ^{Em} ^{Em} ^{Em})
 (^{Em} ^{Em} ^{Em} ^{Em})
 (^{Em} ^{Em} ^{Em} ^{Em})
 Calm me down
 Ease my mind
 Things have color and shape
 Beautiful is just a name
 We give for what pleases us somehow
 And this is what is done
 There?s no way to return
 When the beauty of your face screams out loud
 [Final] ^F ^G ^{Am}
^F ^G ^{Am}
