

Isabella DiPietro - So Much More

tom:
Bb (forma dos acordes no tom de **G**)
 Capotraste na 3ª casa

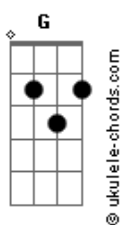

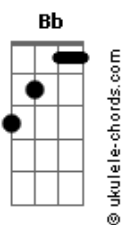

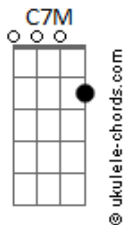

C7M **G**
 How quickly you came into my life
C7M
 I wasn't longing 'till you passed me by
G
 Now I never wanna say goodnight
C7M **G**
 I hate that goodnight means goodbye
C7M
 But someday we'll have all the time
G
 'Cause hours and hours just isn't enough

C7M **G**
 I prayed for a man who'd pray for me
C7M
 One who'd fear God, one who'd lead
G
 But still I never could have dreamed
C7M **G**
 He'd love me this good, he'd be so sweet
C7M
 He'd have everything I could ever need
G
 And more

C7M **G**
 Shows me he loves me in the way he acts
C7M
 Reminds me who I am in God and not my past
G
 Only God could have made this man

C7M
 And everyday I'm with you

Acordes

G
 I think I could never love you more
C7M
 But every day I find
G
 That I love you more than the day before
C7M
 And I know that tomorrow
G
 I'll love you more
C7M
 So much more
G
 So much more
C7M **G**
 I prayed for a man who'd pray for me
C7M
 One who'd fear God, one who'd lead
G
 But still I never dreamed
C7M **G**
 He'd love me this good, he'd be so sweet
C7M
 He'd have everything I could ever need
G
 And more
C7M
 So much more
G
 So much more
C7M
 So much more
 Oh
 (**C7M**)
