

Isabella DiPietro - So Much More

tom:

Bb (forma dos acordes no tom de G)

Capostrate na 3ª casa

C7M G
How quickly you came into my life

C7M G
I wasn't longing 'till you passed me by

G
Now I never wanna say goodnight

C7M G
I hate that goodnight means goodbye

C7M
But someday we'll have all the time

G
'Cause hours and hours just isn't enough

C7M G
I prayed for a man who'd pray for me

C7M G
One who'd fear God, one who'd lead

G
But still I never could have dreamed

C7M G
He'd love me this good, he'd be so sweet

C7M
He'd have everything I could ever need

G
And more

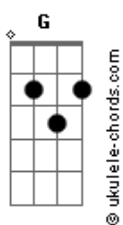

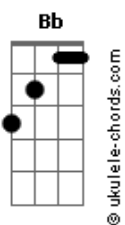

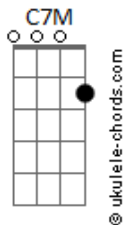

C7M G
Shows me he loves me in the way he acts

C7M
Reminds me who I am in God and not my past

G
Only God could have made this man

C7M
And everyday I'm with you

Acordes

G
I think I could never love you more
C7M
But every day I find
G
That I love you more than the day before
C7M
And I know that tomorrow
G
I'll love you more
C7M
So much more
G
So much more
C7M G
I prayed for a man who'd pray for me
C7M
One who'd fear God, one who'd lead
G
But still I never dreamed
C7M G
He'd love me this good, he'd be so sweet
C7M
He'd have everything I could ever need
G
And more
C7M
So much more
G
So much more
C7M
So much more
Oh
(C7M)
