

Isabella Erardi - God Made You By Hand

No one knows why she did it
 ?Cause no one could hear her crying
 She was a slave to her mind
 Spent her life tryin? to find a way out
 Depression chained her to the ground
 Made each step a little harder to take
 Lookin? in the mirror
 Couldn?t find one reason to stay

 But when she felt unworthy
 God wrapped his arms around her
 And on her darkest day, he said
