

# Isabella Taviani - Castelo de Farsa

Tom: C

Am G  
Eu não vou te perdoar  
F  
Nem vou amenizar  
E  
Nunca mais a sua dor  
Eu assumo ser mortal  
Pra não ter que carregar  
Tua máscara boçal

F Gb  
Se hoje eu tenho a língua afiada  
Am G  
Se acabou de vez o teu domínio

F Fm  
Se nos meus pés eu trilho minha estrada  
Dm  
Se fiz da minha vida  
E E7  
Minha eterna namorada

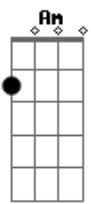

Am G  
É que eu moro num casebre de prata  
F E  
E você no teu castelo de farsa (2x)

Am G  
Que o vento carregou yeahhh  
Am G  
Que o vento carregou yeahhh  
[repete a música]
