Intro: Em C G D

Em C  
I hear a million voices in my head  
G D  
Telling me the things I should have said  
Em C  
I don't know why I let you go  
G D  
Oh I learned the hard way  
D  
Tell me it's not too late  
Em C  
Now my arms are open wide  
G  
They're hanging forever there  
D  
Waiting forever for you  
Em C  
I won't give up on you this time  
G  
Cause I ain't holding on  
D  
For nobody else  
Em C  
It's gotta be you  
G D  
When you walked away my heart tried to replace ya  
Em C  
With someone like you  
G  
But I could never find it  
D  
I don't wanna find it  
It's gotta be you  
Em C  
I wish I could turn back the time  
G D  
The power is yours and never mine  
Em  
Maybe with time you'll see that  
C G  
I can give you all the things you missed  
D

Oh, no no

Em C  
Now my arms are open wide  
G D  
And I ain't holding on for nobody else  
Em C  
It's gotta be you  
G D  
When you walked away my heart tried to replace ya  
Em C  
With someone like you  
G  
But I could never find it

I don't wanna find it  
It's gotta be you  
C G D  
You don't have to answer right now  
C G D  
Baby go and take your time  
C  
Cause I'll be here  
Em C  
It's gotta be you  
G D  
It's gotta be you  
Em C  
It's gotta be you  
G D  
When you walked away my heart tried to replace ya  
Em C  
With someone like you  
G  
But I could never find it  
D  
I don't wanna find it  
Em C  
It's gotta be you  
G D  
It's gotta be you
