

# Isak Danielson - Afterparty

tom:

Intro: <sup>Bbm</sup>  
Db F Gb Eb

<sup>Db</sup>  
I could be deep in darkest of oceans  
<sup>F</sup>  
I could be buried along with the rest  
<sup>Gb</sup>  
But a single word from your lips  
<sup>Eb</sup>  
In the distance I'd crawl  
<sup>Db</sup>  
Even when you show me  
The worst of emotions  
<sup>F</sup>  
I would eat the dust  
From the palm of your hand  
<sup>Gb</sup>  
I know most people would probably leave  
<sup>Eb</sup>  
But I can't

<sup>Db</sup> <sup>F</sup>  
Just don't tell me that you need me  
<sup>Gb</sup>  
If nobody would tell me to stop  
<sup>Gbm</sup>  
I'd be dead and it won't be enough  
<sup>Db</sup> <sup>F</sup>  
You'll be leaving, while I'm bleeding  
<sup>Gb</sup>  
Ooh I'd be gone and you'd

Say you're sorry  
<sup>Gbm</sup>  
But you'd still come

To the after party

( <sup>Db</sup> <sup>F</sup> <sup>Gb</sup> <sup>Eb</sup> )

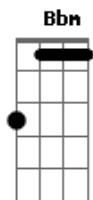

<sup>Db</sup>  
What if I am scared for the pain

When I'm sober  
<sup>F</sup>  
I don't wanna see what you do to me  
<sup>Gb</sup>

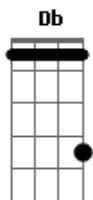

Even when I think of you know

<sup>Eb</sup>  
Its a sweet memory
