

# Isak Danielson - Good Things Come To Those Who Wait

tom:  
 I walked a million miles to find a God  
 I heard she opens up the sky and stars  
 Above  
 The road has many obstacles to meet  
 I crossed the ocean, mountains and the  
 Empty streets  
 I stopped along the way  
 But I always carried on  
 There was nothing in the world that could  
 Stop me  
 I want the fire in their eyes  
 I want applause that never dies  
 The moment when I feel alive is when the  
 Lights are burning bright  
 I want to move you till you cry  
 There's only me inside your mind  
 I remember, if she's here what she would  
 Say  
 Good things come to those who wait  
 Many years have passed and I'm still here  
 And the end of this endeavor is nowhere near  
 The power that she has is still so strong  
 Will she ever let me in and take me home
