

# Isbells - Without Doubt0

Tom: G

Trapped in a web of spoken word

There's nobody to rely on

Unborn lies covering up the truth

So many promises gone by

Without a doubt

Without regret

No I can't put up with that

I can't change the world with melodies

G

But I'll try

All of my dreams got knocked out

Left to die and I don't know how

To go on and on

With no one to lean on

Without a doubt

Without regret

No I can't put up with that

I can't change the world with melodies

But I'll try
