

# Isla Vista Worship - In Your Presence

Tom: D

**Em D Bm G**  
 I was not made to live without you Jesus  
 My heart will never find  
 A love that frees like yours does  
 You sealed me with your ghost  
 Now there's no more loneliness  
 Your love has made it's choice  
 And I am whole because of it

**G A Bm**  
 There's so much freedom and life

**D Em**  
 In your presence

**G A Bm**  
 It's where I come alive

**D Em**  
 In Your presence

**Em D Bm G**  
 You hold my heart inside your strong hands  
 You've loved me in and out  
 It's more than I can stand  
 I can never find the words  
 Big enough to express  
 With you there's always more  
 Forever endless

**Em G Gbm**  
 Your spirit's bringing us together  
 Your love's infused in me forever  
 You fill me up with so much pleasure  
 And now I can't keep my heart from lovin'  
 I can't keep my heart from lovin' you  
 Yeah

**G A Bm**  
 And now I can't keep my heart from lovin'  
**D Em**  
 I can't keep my heart from lovin' you
