Intro: A E Gbm7 E D Bm7 E7

Your kindness pulls me  
 Your kindness pulls me  
 To a place I've never been  
 To a place I've never been

Close to you  
 Close to you  
 All I ever wanted  
 Is to be close to you  
 Close to you  
 Close to you  
 All I ever wanted  
 Is to be close to you

Your kindness pulls me  
 Your kindness pulls me  
 To a place I've never been

To a place I've never been

Close to you  
 Close to you  
 All I ever wanted  
 Is to be close to you  
 Close to you  
 Close to you  
 All I ever wanted  
 Is to be close to you

With you are the words of life  
 With you are the words of life  
 Where else (BREAK) can i go?

[Final]

Oh with you are the words of life  
 With you are the words of life  
 Where else can I go?
