

Isla Vista Worship - Surrender

Tom: C

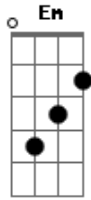

I'm giving you
All of me
But honestly
I need you to grow me
So all I want
Is to be yours
And to be love
But I need you to show me
How to let go of all the fears
If I go too far, will you still be here?
Now that I've known
You for years
I know who you are

I know that you're near
I surrender, I surrender all
It's whatever you say God
It's whatever you say God
So take all of me
I'll do whatever you say God
I'll do whatever you say God
So take all of me
I surrender, I surrender all
It's whatever you say God
It's whatever you say God
