

# Islou Silva - Hino da Farmácia

tom:

Intro: Am G F E  
Am G F E

Am E7 Am  
A cura do homem no passado  
Que por meio de unguentos se dava

Foi pelo eterno hipócrates

Do tempo dos deuses tirada

Da inesgotável fonte de Deus

O homem de remédios se proveu

Dos fartos recursos naturais

Com sabedoria se serviu

C F C Dm G C C7  
Oh! Que herança inaudita farmácia, ciência milenar

De galeno as antigas boticas

Vieram a dor do homem minorar

C F C  
Ergo os meus olhos bem alto

Dm G C C7  
E contemplo a missão do saber

F G C Am  
Que melhora a vida do homem

Dm G C Bm7 E7  
E com prazer o ajuda a viver

Am E7 Am  
Da grande missão da ciência

Serei sempre um forte aliado

Em busca de conhecimento

F E  
Com a ética sempre ao meu lado

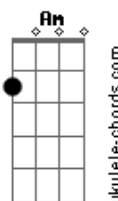

Dm G C Am  
Carrego pra sempre em meus ombros

Bm7 E7 Am G A7  
A intrépida vontade de vencer

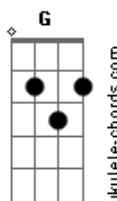

Dm Am  
E cultuo no meu coração

F E Am G  
O afã da cura nos trazer
