

Israel Vibration - Herb Is The Healing

```
tom:
Intro: G C G
       G C
[Primeira Parte]
It's written right here
It's absolutely clear that ganja herb is the healing of the
So don?t have no fear and it will always be here
It's going to be here for nuff generation(yeah)
[Segunda Parte]
They want you to feel topsy turvy (topsy turvy)
Puff it up and come kissing now your face
They don?t want to smoke the sweet lemon collie(sweet collie)
Keep the smile upon the children's face
You pick him up you lick him down you often try to run him
down
The ganja man comin right back
And dis a much di collie bud
You chop it down you burn it down
The ganja plant comin right back
Usin ur science laboratory resource
So many illness the collie herb cure
So why don?t you give I and I the permit(to legalize the herb)
So I and I can go on and burn
Rain come fallin make the ganja grow
And the sun come shining and the breeze the pollen blow
You pick him up you lick him down you often try to run him
The ganja man comin right back
Acordes
```

Just anotha spliff fi get another lift I said take the rhythm to another riff (yeah) They want you to feel topsy turvy (topsy turvy) Puff it up and come kissing now your face They don?t want to smoke the sweet lemon collie(sweet collie) Keep the smile upon the children's face You pick him up you lick him down you often try to run him down The ganja man comin right back And dis a much di collie bud You chop it down you burn it down The ganja plant comin right back And when di rain come fallin make ganja grow(yeah) And when di sun come shinin the breeze the pollen blow(blow) [Final] You pick him up you lick him down you often try to run him The ganja man comin right back And dis a much di collie wow, oh wow

The ganja plant comin right back

Usin ur science laboratory resource

So many illness the collie herb cure

Peter neva get to lite the chalice but I willlite the biggest

(G C G)

(G C G) (G C G)

[Terceira Parte]

spliff inna di palace

(Peter never lite)
