

# Ita Melo - And

Intro: D Bm G A

D If you come here  
 G Hidden in your tears  
 D Behind in your mind  
 G Lost in your time  
 D Tell me what I do  
 G When I find you  
 A Ask me to come back  
 D Why were you so bad?  
 Bm Tell me what you want  
 G And show me how to belong

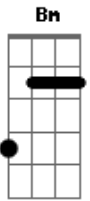

tom:

The night without me  
 Alone in your fears  
 Tell me what to say  
 If I find my way  
 Maybe so different from you  
 Tell me if it's clear  
 And ask me how to be  
 In Your life without my dreams  
 And, I know what to say if you ask me to come back  
 The last time you played games, I lost all my feelings  
 Maybe I can't find my way; maybe I can't be the best  
 Maybe I should say, it's better left in the past
