            \mathsf{Am}
   I try to share my dreams with you
Only my best dreams
 I trying give my heart to you
Please, forget my sins
What can I say?
What can I do?
What could I hope if I come for you?
I try to fly in the blue sky
With you by my side
  I try to say in the perfect words
You complete my World
Whatever I say
Whatever I do
Whatever I hope everything's come from you
   I'll try not to lie
I promise you I do the best I can do

   I'll try not to lie
