

Italo e Renno - Deixa Acontecer

Tom: A
Intro: G A Gbm Bm

Por que será, que toda vez que eu te vejo eu fico sem ação
Será que esse sentimento já virou paixão?
Será, será?
Não sei explicar, se eu fico um segundo sem já sinto saudade
Este teu jeito de me olhar me deixa com vontade
De amar você, de amar você

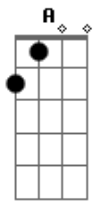

[Ponte]

Ah! Como eu queria está contigo
Só pra ver o sol nascer, na praia eu e você apaixonados
Sob a luz da lua e das estrelas e deixar acontecer
Fazer valer, sentir o seu calor

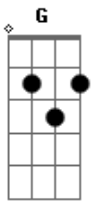

[Refrão]

Fazendo amor, fazendo amor
Só eu e você, deixa acontecer
