

Iury Moretti - Experience

Tom: Eb

(com acordes na forma de
Capotraste na 3ª casa

Intro: C Am C Am F G C

in your eyes I see
clouds one day passed me
so far I can not see
the rains that they carried to us

this can be an experience

or this time would work

in another parallel earth

we would have the same soul

C)

yes, we would have the same soul

all the things we did

they conspired so that we were here

but it does not work as well

because I do not know if this is real

this can be an experience

or this time would work

in another parallel earth

we would have the same soul

yes, we would have the same soul
