

Ivaldo Moreira - Father And Son

tom:

Intro: G C G A7
G C G A7

It's not time to make a change Just relax, take it easy
You're still young That's your fault
There's so much you have to know
Find a girl, settle down, If you want, you can marry
Look at me, I am old, but I'm ha_ppy
I was once like you are now And I know that's it's not easy
To be calm when you've found Something going on
But take your time, think a lot..Think of everything you've got
For you will still be here tomorrow
But your dreams may not

How can I try to explain When I do he turns away again
It's always been the same, Same old story
From the moment I could talk
I was ordered to listen now there's a way and I know

That I have to go away
I know I have to go

It's not time to make a change Just sit down, take it slowly
You're still young?That's your fault, There's so much
You have to go through
Find a girl, settle down If you want, you can marry
Look at me, I am old, but I'm ha_ppy
All the times that I've cried Keeping all the things I knew inside
It's hard but it's harder To ignore it
If they were right, I'd agree?But it's them they know not me
Now there's a way and I know, that I have to go away
I know I have to go
