

Ivan Lins - O Céu Mudou

tom:

G

E

Meus olhos foram pro Rio

Querendo andar de vapor

O fogo pede a lenha

Teu corpo mais cobertor

Meus versos foram pra rua

Na boca de um cantor

Chovia luz e trovoada

Que nem meu galo cantou

Céu mudou

Pro interior

Meu arco-iris na mala

Junto com os lápis de cor

Bahia lacrimejando

Nos olhos do meu amor

Meu terno branco de linho

Meu lenço feito de flor

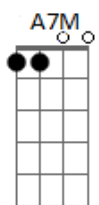

Não tinha trem nem bom tempo

Não foram pra Salvador

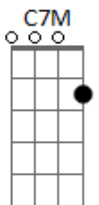

Céu mudou

Pro interior
