No brilho do sol  
Podemos imaginar  
Como Jesus irá voltar  
E lá no céu  
O nosso meigo Deus

Contente está  
Com sua volta  
E a Terra mudar  
E a alegria reinará

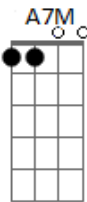

[Refrão]  
Podemos ver como vai ser  
Quando ele aparecer  
No horizonte a brilhar  
Aqui na Terra todo mundo  
Com ele vai cantar  
E dor jamais existirá  
Há ã

No brilho do sol
