

Ivete Sangalo - Mega Beijo

Tom: A

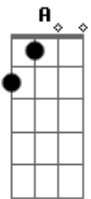

Livre como um passarinho
 Pelo céu vou voar
 Querendo Ter você
 Com muito amor pra dar
 Vou encontrar no meu caminho
 Posso sentir no ar
 Vontade de viver
 Pra me apaixonar
 Sol bem quente de verão
 Espelho azul do mar
 Refletindo um dia tão lindo
 Pra quem ganhar meu coração
 Vai logo, logo perceber

Que vai viver e amar no paraíso ôôô...
 vai viver e amar no paraíso
 Se nessa que eu tô
 Você me pega amor
 Me leva pro céu que eu vou
 No mega beijo
 No beijo mega
 Adoça minha vida amor
 Se nessa que eu tô
 Você me pega, amor
 Me leva pro céu que eu vou
 No mega beijo
 No beijo mega
 Adoça minha vida amor
