

Iya Terra - Gypsy Girl

tom:

Intro: Gm Eb Cm Dm

Said I remember the time we met, it feel like yesterday

We were so far away from home on time we road

But I and I know that fire in your soul was burning hot

So I got to taste your love

It's like I was lost and then you found me

When you did not know nothing about me

Well, somehow you see right through

Darling you, you've got a grip on my heart

Yeah, you was a gypsy gypsy girl

You got so much to see up in the world

And I was just passing through but I met you

And then you come and steal my heart away

Yes, you was gypsy gypsy girl

You got so much to do, so much to see

So I believe that this love, was sent from above, woman

You steal my heart away, oh, yeah

You know she come and take my lovin away, yeah yeah

Darling you know this life is a very hard road

We spend so much time away from home

But that's what we like, we feel most alive

When we don't have nowhere to go

So darling hold your hand in mine

Lucky to you I found ya, in-a this life

Because your soul, your spirit divine

What's mine is yours and what's yours is mine

I wasn't looking for love, but I found what I found

I wasn't looking for love, but ya come along and prove me wrong

I wasn't looking for love, but I found what I found

I wasn't looking for love, but jah woman she coming along

Yeah, you was a gypsy gypsy girl

You got so much to see up in the world

And I was just passing through but I met you

And then you come and steal my heart away

Yes, you was gypsy gypsy girl

You got so much to do, so much to see

So I believe that this love, was sent from above, woman

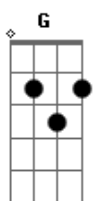

You steal my heart away, oh, yeah

You know she come and take my lovin away, yeah yeah

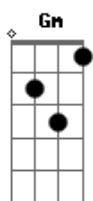

You know she come and take I lovin away, yeah yeah yeah

My gypsy girl, my gypsy girl
